

Town of Bergen Town Court & Office Relocation

10 Hunter Street, Bergen, New York

PROGRAM: Alterations to approximately 7,600 square feet of space located in the existing Bergen Fire Department community hall to create space for a new Town Court and Town Offices.

COST: \$425,000

This project included the renovation of the existing Bergen Fire Department community hall to create space for a new Town Court and Town Offices. This included security upgrades for the Town Court which were not being provided in their previous location to comply with new State mandated court facility requirements. Included in the Town Court design were space for the Court Room, Town Justice's Offices, Court Clerk and Prisoner Holding area. The Town Office's included space for the Supervisor, Town Clerk, Records Storage, Conference Room and new handicapped accessible public toilet rooms.
