

IDE IMAGING PARTNER'S, INC.

Irondequoit Office, Rochester, New York

PROGRAM: 4,700 SF outpatient medical imaging center.

MODALITIES: High field MRI and CT

COST: \$550,000

This project created a new outpatient imaging office for IDE in Northeast Rochester. The site is located on the main level of a strip mall. Modifications to the building were necessary to accommodate the MRI. The team was led by Thomas J. Simbari, as project architect, manager and lead designer. Sub-consultants were used for mechanical, electrical structural and acoustical engineering. In addition, coordination was required between 2 different Owners, the Landlord, Medical Equipment Vendor, Physicist and RF Shielding Vendor.

* Project completed by Thomas J. Simbari, RA, AIA while employed by others.
